**SUBJECT:** 2007 State and Federal Legislation Matrix

## BACKGROUND:

The attached legislative bill matrix provides summaries of state and federal legislation relevant to SCAG activities and items of interest.

These legislative bills are organized by subject matter in the following categories: Air Quality, Aviation, Energy, Environment, Housing, Solid Waste, Transit, Transportation, Tribes and Water. We also have new sections which contain implementing legislation that follows the passage of the infrastructure bonds in 2006. These sections are labeled accordingly as Transportation Bonds, Housing Bonds, and Water Bonds.

Although it is early in the legislative session, to the extent available the bill summaries include known on-record positions for other statewide organizations following these issues, such as the California League of Cities, California State Association of Counties, CALCOG, and others.
